To Whom it May Concern:

This letter serves to confirm that Total Door Systems is an active participant in the BHMA sponsored Product Certification Program, and their model(s) shown below, are currently listed in the BHMA Directory of Certified Products.

Builders Hardware that is listed in the CPD has been verified, through a third party testing program, to meet the applicable ANSI/BHMA A156 Series Standards. A full description of the Program can be found in the 2016 BHMA Licensing Agreement and Operational Manual, which is available upon request. Your inquiries are welcome, and BHMA is pleased to provide this confirmation of compliance of the requested products.

Sincerely,

Tim Bennett
