BULLETIN

ATTENTION: All Total Door Distributors/Sales Representatives

DATE: March 18, 2015

REGARDING: New Price List #25

On July 1, 2015 new pricing will go into effect for all Total Door customers. This new pricing structure will supersede all other price lists. All orders received on or before June 30, 2015 will be invoiced at Price List #24 prices. Orders will be scheduled on a first received basis & must be shipped on or before August 31, 2015. Requests for delayed shipments will result in the order being invoiced at Price List #25 prices.

Enclosed please find Door Price List #25, Parts Price List #25 and Discount Schedule #25. Additional copies will be available for download on the Total Door website.

If you are using the Total Door Estimating/Purchasing program, you will need to download a new version. If you are not currently using our program but would like to, please contact the factory. We encourage all distributors to take advantage of this program.
